

THE EUCHARISTIC MIRACLE - LANCIANO (sec. VIII)

### PRAYER

Praise be to you, o Christ, for this Eucharistic Miracle you have left us as a sign of predilection, in order to increase our faith in your real presence in the sacrament of the Eucharist.

We thank you Jesus, for the prodigy of you coming which always renews itself on the altar. You are our real friend, the bread for our path, the wine of our joy, the balm of our pain, the desire of our heart.

Make o Lord, that receiving your body and blood, transformed by your love, we can be for all mankind epiphany of your greatest love, and a prophecy of your Kingdom, in front of the world of the Third Millennium.

Son of the living God, send us your spirit, open for us the path towards your Father, in order to be received at the end of our pilgrimage, in the heart of the Holy Trinity, our beatitude and our peace for ever and ever. *Amen*

THE EUCHARISTIC MIRACLE - LANCIANO (sec. VIII)

**YOU AFFECT THE LIVES OF EVERY PERSON  
IN THE WORLD DURING YOUR HOLY HOUR.**

**THE EUCHARISTIC HOLY HOUR,  
MORE POWERFUL THAN ANYTHING OUTSIDE  
OF THE EUCHARISTIC SACRIFICE....  
THE HOLY MASS**

## **BENEFITS DERIVED FROM A HOLY HOUR OF ADORATION**

The power of each Holy Hour that we make can be gleaned from the quotes of our Popes and Saints. These writings show the importance they placed on Adoration for a healthy spiritual life and tell us that our Holy Hour is more powerful than anything in this world outside of the MASS.

### **6.5 BILLION PEOPLE GRACED:**

Remember this number each time that you may have any doubts whether your sacrifice of time in volunteering to cover a Holy Hour of Adoration before the Blessed Sacrament was a productive hour.

Why is this number important? It is the number of people living in the world that you affect by your simple visit to our beloved Lord, even if it was for a short time. According to St. Maria Faustina Kowalska, every Holy Hour we make so pleases the Heart of Jesus that every man, woman and child living on earth receives a new effect of God's grace. This is the power of your hour. You alone have affected the lives of every person on earth through your sacrifice of an hour spent before our beloved Lord. If we ever wanted to stop wars, bring peace to earth, stop abortions in the world, stop evils of all kind throughout the world; this is the way to do it. Where else outside of THE EUCHARISTIC SACRIFICE, can you have such a huge influence on human history? Because of your hour, God has given to everyone on earth, a grace they need to bring them closer to heaven and thus influencing them to stop any evil they may be involved in.

### **SOULS, ON THE PRECIPICE OF HELL, GO TO HEAVEN INSTEAD**

A Holy Hour of Adoration is so powerful that many souls in the world that were going to Hell, instead are graced enough to be in the hands of God and on their way to Heaven. This revelation, about any Holy Hour of Adoration, was given by our Lord to Blessed Dina Belanger during one of the many Holy Hours she made. Not only are all people in the world graced because of a Holy Hour, but many are so graced that their whole life is turned completely around as to be on their way to Heaven. Just think, if we had not made a Holy Hour this very day, this may not have happened for many people and may not happen during their entire life. Our Holy Hour may be the only chance for Heaven that many in the world have.

### **YOU INFLUENCE MEN AND WOMEN TO ENTER RELIGIOUS LIFE**

This is a result of Holy Hours of Adoration that many of our Saints have emphasized. Studies throughout the world show that in Dioceses where Adoration of the Most Blessed Sacrament is very prevalent, many vocations are abundant. For example, in the Kalamazoo Diocese, Michigan, Adoration of the Eucharist has grown since the 1990's until the present time resulting in many Seminarians than in past years. This does not include men and women who have entered religious life (brothers, nuns, etc.) from the same Diocese during this same period of time.

### **YOU CAN BRING YOUR FAMILY CLOSER TOGETHER**

Our Saints have always emphasized that a Holy Hour is not a personal solitary "Jesus and me" encounter, but rather one that involves the entire Church. Our adoration reaches out to our families and our community, they say, and as a result, our families are very blessed and brought closer together. This is another aspect of adoration that many people don't realize. People heavily involved in the different Perpetual Adoration Programs throughout the world often report of a loved one who had left the Church, coming back because of those involved in Perpetual Adoration. Jesus will use many means to bring one of your loved ones back to the Church.

### **YOU MAKE UP FOR GREAT EVILS OF THE WORLD**

We read often in the newspapers of many evils that are perpetrated on innocent people throughout the world. Our Saints teach us that not only does our adoration grace everyone in the world, but it actually repairs many evils that might otherwise go un-repaired and unchecked. Your Holy Hour is very important to Jesus. He depends on you to help counter evil throughout the world. It is said that everyone in life is given a mission by Jesus to fulfill. If we don't entirely accomplish this mission, it goes unfulfilled into eternity. There are numerous evils in the world to be repaired and made up for. You may be the only one to make up for some of them. Jesus may be counting on your Holy Hour to repair these evils.

### **YOU OPEN THE FLOODGATES OF GOD'S MERCY**

One of the most important graces that God showers upon the earth, through your Holy Hour, is that of His Great Mercy, according to Blessed Mother Teresa and Pope John Paul II. In other words, your Holy Hour opens up the floodgates of His Mercy onto everyone in the world. For many people in the world, this may be the first time, or the only time, they are ready to accept this grace. It also has been said, by our Saints, that God's Mercy is infinite, but that His Justice is total. God may be counting on you to extend His time of mercy for yet another day to many people in the world before He will try to use His merciful justice to save them before imposing Divine justice.

### **YOU HELP CONVERT AMERICA AND SAVE THE WORLD**

Asked "What will convert America and save the World?", Blessed Mother Teresa answered without hesitation that we need everyone to come together in Holy Hours of prayer before the Blessed Sacrament. Our spare time is always valuable to us, but it is much more valuable to our beloved Lord. He wants America to be converted, but it is up to us to come before Him to help bring this about.

### **YOU HELP STOP ABORTIONS THROUGHOUT THE UNITED STATES**

Eucharistic Adoration is a very strong antidote specifically to the evil abortion. If all Catholics in the United States would make adoration of the most Blessed Sacrament a weekly occurrence, all abortions in the United States would stop, according to Blessed Mother Teresa. We know that all Catholics will not do this, but we can at least do our part in stopping as many abortions as possible. By sacrificing an hour of our time each week, in coming before our Beloved Lord in adoration.
