

DIVINE MERCY FOR THE UNBORN

Prayer of Divine Mercy Apostolate
Capuchin Friary, Dublin Ireland

For all helpless little children who die in the womb of their mother,
I pray that all of these little souls will be given eternal life by Our Lord,
Jesus Christ, through His Divine Mercy
and I beg Jesus that I be allowed to spiritually baptize
a little soul born dead and I do so by saying:
I baptize you (Give name, preferably a Saint's Name) in the name of the
Father and of the Son and of the Holy Spirit...'
I have called you by your name, you are Mine!" (Is. 43:1)

PRAYER TO GOD THE FATHER OF ALL LIFE

Eternal God, you have revealed Yourself as the Father of all Life.
We praise You for the Fatherly care which You extend to all creation,
and especially to us, made in Your image and likeness.

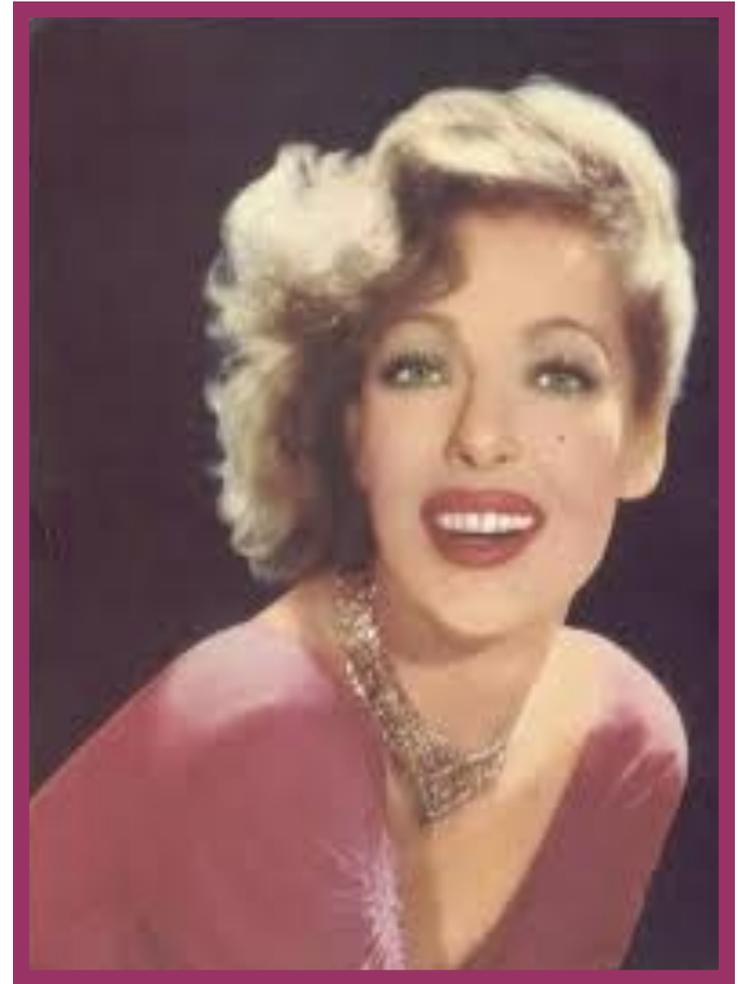

Father, extend Your hand of protection to those threatened by abortion,
and save them from its destructive power.
Give Your strength to all fathers,
that they may never give in to the fears
that may tempt them to facilitate abortions.

Bless our families and bless our land,
that we may have the joy of welcoming and nurturing
the life of which You are the source and the Eternal Father. Amen.

Who Are You Killing ?

"... the Rosary was of a particular comfort to me..."

Loretta Young

Who Are You Killing?

by R. Turton

She was the third child, and her father did not make very much money. Her mother was advised to have an abortion by her doctor. He told her they could have another child when circumstances were better. Her mother, who was a new Catholic convert, became frightened, and went to her priest for advice.

He told her to have faith, and to give the child to the Blessed Mother. He said that Our Lady, *Our Mother*, would see to it that the child and the family would be provided for. He said that Our Lady obtains everything She asks for from God, and that there is no better intercessor to implore, especially regarding motherhood. The woman listened, and the baby was born.

The child was named Loretta, and she was a most beautiful and healthy child. She was so charming, that by the time she was four years of age, she was already making money for the family... and she supported her family and her mother, until the latter died at the age of 96!

Her full name was Loretta Young, and she said to those contemplating an abortion. "Be careful; be very careful. Abortion is wrong to start with, but in addition, you do not know who or what you are aborting. Among them might be a Joan of Arc, a Mother Teresa, or even a Pope." And, we might add... or even a Loretta Young.

Later in her life, Loretta made two pilgrimages to Medjugorje. In 1986, within one week after listening to the audio tape "Beyond the Fields," she was on her way to Medjugorje with her second son, Peter, and a friend who did some work for her, for a five-day visit. She felt that the experience was wonderful.

On her second pilgrimage in 1994, she was accompanied by her husband, Jean Louis. He was 86, and she was 81. Of her pilgrimages, she said, "I have visited several shrines, but no place has affected me quite as much as Medjugorje. It keeps growing within after one returns home. I think that is because the Blessed Mother is still appearing there. I don't just believe that: I know it is true."

In Medjugorje, her husband's Rosary turned from silver to gold. After he died, that Rosary was of particular comfort to her. She said, "My fifteen decades each day sustain me in the belief that this tiny miracle was Our Blessed Mother's way of assuring me that Jean would be well taken care of. Medjugorje was, for me, both times, an incredible experience. I think that it has changed my entire life."

On August 12, 2000, the charming actress Loretta Young, went to her heavenly reward. She was 87. She was one of the greatest actresses of all time. For a half-century, she charmed movie and TV audiences with her beauty and wholesome image. She became one of the first actresses to win both a movie Oscar award, and a TV Emmy. She made nearly 100 films opposite top actors, and she had her own program on TV for nine years.

Her award-winning: *The Loretta Young Show*," in the 1950's was unique, in that each story taught a lesson that would help people to live a better life. Anyone who saw them will remember her floating through the door, swirling her very feminine skirt right into the living room. (She would spin around, because she knew that women wanted to see the back of her lovely dress, as well as the front.) Inspiringly, each program ended with a Bible quote.

Thank you, dear Blessed Mother, for saving Loretta Young for us.
